# Curriculum Vitae

## General

Name: Drs. I.J.M.C. Schepers (Inge)  
Date of birth: 7 January 1976  
Nationality: Dutch  
Languages: Dutch, English, German  
Education: TU Informatics (in progress),  
English Language and Literature (American Studies)  
Experience since: 1998

## Summary

Inge Schepers is an experienced software designer and engineer who specializes in .NET development, and user experience as well as user interface design. Inge has also been the team leader on several projects and has been responsible for the software architecture of a variety of .NET projects. She likes to share her expertise with her co-workers and has broad knowledge of the following topics:

- .NET Technology;
- Software Architecture;
- User Experience Design;
- User Interface Design;
- SQL Server.

Inge is enthusiastic and has good communication skills. She likes to make software that not only works well, but also looks good and is easy to use. Her hobbies include photography, graphic design and badminton.

	2006	Management and ICT: Introduction
	2006	Bridge-IT
	2006	Requirements Workshops
	2005	IOK Training: Integrating RUP, SYRE and T-MAP
	2003	Microsoft MCSD.NET Certification (C#)
	2002	Consultancy Training
	2002	Master Class Component Based Development
	2002	Microsoft MCAD.NET Certification (C#)
	2001	Object Oriented Analysis and Design Using the UML
	2001	Microsoft Visual Studio.NET Conference - Copenhagen
	2001	Microsoft Visual Studio 6 Certification (Visual Basic)
2000	Microsoft Tech-Ed - Amsterdam	
2000	Windows DNA Workshop	
1998 - 1999	Trainee Systems Analyst / Programmer	

## Work Experience

This section provides a summary overview of Inge's work experience. For a more detailed overview of her work experience and skills, please refer to the appendix.

Jan 2012 - present  
**Owner**  
Studio Picture IT  
Freelance web / software designer and engineer

- Web / software design;
- User experience design;
- Functional and technical software design;
- Software programming;
- Consultancy / coaching.

Apr 2008 - Oct 2011  
**Senior Software Engineer**  
Sioux Embedded Systems B.V.  
Web / software designer and engineer

- Web / software design;
- User experience design;
- Functional and technical software design;
- Software programming;
- Writing and executing test plans;
- Coaching.

Feb 2007 - Apr 2008  
**Service Delivery Manager**  
Interpolis N.V.  
Team manager

- Managing a team of developers;
- Resource planning;
- Project planning;
- Quality Assurance activities;
- Implementing CMMI Level II software design and development processes;
- Coaching.

Nov 2005 - Feb 2007  
**Functional Designer**  
Interpolis N.V.  
Functional Software Design

- Writing use cases;

- Creating user interface designs;
- Writing user requirements;
- Writing business rules;
- Interact with project managers, development teams and testers.

Jul 2004 -  
Nov 2005

**Software Developer**

Interpolis N.V.

Software architecture, technical design and programming of software

- Creating software architectures;
- Creating technical designs;
- Programming software.

Feb 2000 -  
Jul 2004

**Software Developer**

Atos Orirgin Nederland B.V.

Software architecture, technical design and programming of software

- Creating software architectures;
- Creating technical designs;
- Programming software;
- Leading small development teams;
- Software testing;
- Coaching.

Oct 1998 -  
Feb 2000

**Systems Analyst / Programmer Trainee**

TTP Starters B.V.

Education + traineeship as systems analyst / programmer

- Creating technical designs;
- Programming software;
- Software testing.
